FREE FAMILY DAY OUT

Bundaleer are having a free day out for the whole family - loads of fun with free face painting, jumping castles, giant slides, BBQ, market stalls and much more.

It's on Saturday March 25 from 10-4 at Bundaleer Gardens in 142a Cameron Street in Wauchope.

The day is part of the Lasiandra festival.

It's a thank you to the community for their support for Bundaleer care services over the past 30-plus years, and is a chance for people to relax.

"It has been our goal to "open the doors" at Bundaleer and invite the community in for some fun and enjoyment, and to take part in the Lasiandra Festival, which is such an important celebration in our town. But this has become even more important after the tough few weeks that our region has been through. I'm so proud of the way our local community has rallied behind those affected by the fires and we're glad of the opportunity to help bring everyone together for some good old fashioned fun" says Bundaleer CEO, Gareth Norman.

Bundaleer are working with the Lions Club for a sausage sizzle.

They also plan to support the local Pappinbarra initiatives with gold coin donations for popcorn and fairy floss.

There'll be market stalls and something for everyone.

Everyone is welcome
